

# *Greater Elgin Family Care Center*

## *2012 Annual Report*

### **A MESSAGE FROM BOB TANNER, PRESIDENT/CEO:**

It's been another productive year at Greater Elgin Family Care Center. The opening of our Randall and Streamwood Health Centers, as well as the considerable expansion of our McHenry Community Health Center are among the many developments that have afforded us the opportunity to further pursue our mission in the ever-changing healthcare arena.

Thoughtful planning and direction by our Board, coupled with the dedicated, unified efforts of our professionals, continue to position the organization to positively affect the health outcomes of thousands of area residents.

Our willingness to effectively partner and collaborate with others and our dedication to access to quality, affordable care remain key values. We look forward to addressing new opportunities and challenges in the year ahead.

**THANK YOU FOR YOUR ONGOING SUPPORT OF GREATER ELGIN FAMILY CARE CENTER!**

>> *To donate, please visit [www.gefcc.org](http://www.gefcc.org)*

To provide quality, affordable healthcare for all, including those without the ability to pay

*Greater Elgin Family Care Center*

*370 Summit Street, Elgin IL 60120*

## HIGHLIGHTS OF THE PAST YEAR

- Over **27,500** people received over **83,000** medical and dental appointments from GEFCC Practitioners in fiscal year 2012
  - **Streamwood Community Health Center opens** as a result of funding received from the Bureau of Primary Health Care
  - **Randall Health Center opens**, in the Medical Office Building at Sherman Hospital, expanding our collaboration with Sherman Health
  - Upon the request of McHenry County's Mental Health Board, **psychiatry is added** to the menu of services offered at our McHenry Community Health Center
  - Collaborations with Centegra Health System, McHenry County Health Department and Quest Diagnostics, in addition to a multitude of other organizations, have led to **more efficient and coordinated care provision**
  - GEFCC Dentists provided dental care in **27** area schools in academic year 2012, expanding our school-based care provision and bringing needed services directly to area youngsters
  - **14** Practitioners in **6** specialties were added to our team of skilled, compassionate staff
  - With annual revenues of **\$15,098,151**, full implementation of electronic Medical and Dental Records and ongoing Accreditation by The Joint Commission, GEFCC continues to significantly address area healthcare needs and remains a premier Federally Qualified Health Center
